Accident Protocol

Dear Driver

We all know, last thing we wish to happen is an accident and your daily role as a professional driver in it is huge. I am sure you will do your best to make our road safe to protect yourself and other around you.

In case of an accident happened please do minimum the following:

If you are not injured and can safely, move your vehicle to the side of the road away from the flow of traffic. Put triangle at required distance to alert another motorist.

Do not leave the accident scene unless is necessary for your own safety.
Do a drug and alcohol post-accident test if required (see drug and alcohol policy)
Do not admit fault, let that to other professional to determinate your role in it.

Record the date, time, location whether, road condition, names of other involved including witnesses, and any other useful info.
Get pictures and or videos about injuries and property damages, license plates of other vehicles involved.

Provide your info: Name, DL#, Company Name and your insurance provider to other motorist and request the same in return. Ask for accident case # and note the name and badge # of the investigating officer.

Regardless of who is at fault please report an accident as quickly as possible.

Thank You
